My name is Mrs. Richie. I have been the librarian here for going on 24 years. The library has really changed since I started working here. My children were going to school here then and now my grandchildren are going to school here now.

I work half time being here, Mondays, Tuesdays and until 11 on Wednesdays. All classes have library time once a week. Upper grades (6-8) have 15 minutes. Lower grades have 30 minutes. It is not much time but students can come to the library during study hall time if they need to. I also sub for other teachers when I can on Wednesday afternoons and Thursdays and Fridays. So don't be surprised if your child says that I taught their class.

Materials checked out are due in two weeks. If a student has overdue materials that student can not check out more until they have returned the overdue materials. If a book is ruined then it will need to be paid for. Any moneys owed or not returned at the end of the year will result in report cards being turned in to the office instead of being sent home with the student.

This year we have a pre-school library time scheduled from 9 to 9:30 on Wednesdays. A parent or other adult must accompany their children. Adults are responsible for any library materials checked out. Children who come to pre-school library will be able to check out books and have stories read to them. Books checked out are due in two weeks.

Donations to the library are always welcome. They will be review before being placed in the library to see if they adhere to the standards for material selection for our library.

I love my job and enjoy reading to the children and helping them find that “just right” book. I hope your students have a very good year and read many books this year.
