

HELP SUPPORT CLINTON SCHOOL BY SHOPPING AT CLINTON MARKET

Kent Hamer at Clinton Market has recently started a program which has the potential to significantly benefit the school. In the past, Clinton Market has been a generous donator to many causes here at the school. In an effort to streamline this process and continue to support the school, Kent has come up with a very generous offer. Effective immediately, Kent has graciously agreed to donate 3% of all “Western Family Gift Card” purchases to the Clinton School.

You can purchase your “Western Family Gift Cards” at Clinton Market and give to others OR you **may use them like a debit card**. For example, if you ask for a gift card and put \$50.00 on it, you can present the card as payment at the time of each purchase until the \$50.00 is used up; then you can pay to put more money on the card. Each time you or your gift recipient make a purchase with a gift card for groceries or fuel, Clinton Market will donate 3% of that value to the school. You can reload the card as often as you like... for more information see the folks at Clinton Market.

We are very excited about Kent’s generous offer and its potential to benefit our students.
